INNOVATION

A UNIQUE DESIGN

Our caravans are designed to combine modernity, elegance and practicality. Trendy caravans fully specified to ensure optimal comfort. High quality finishing, a warm and comfortable interior to ensure that you can enjoy a relaxed and carefree holiday.

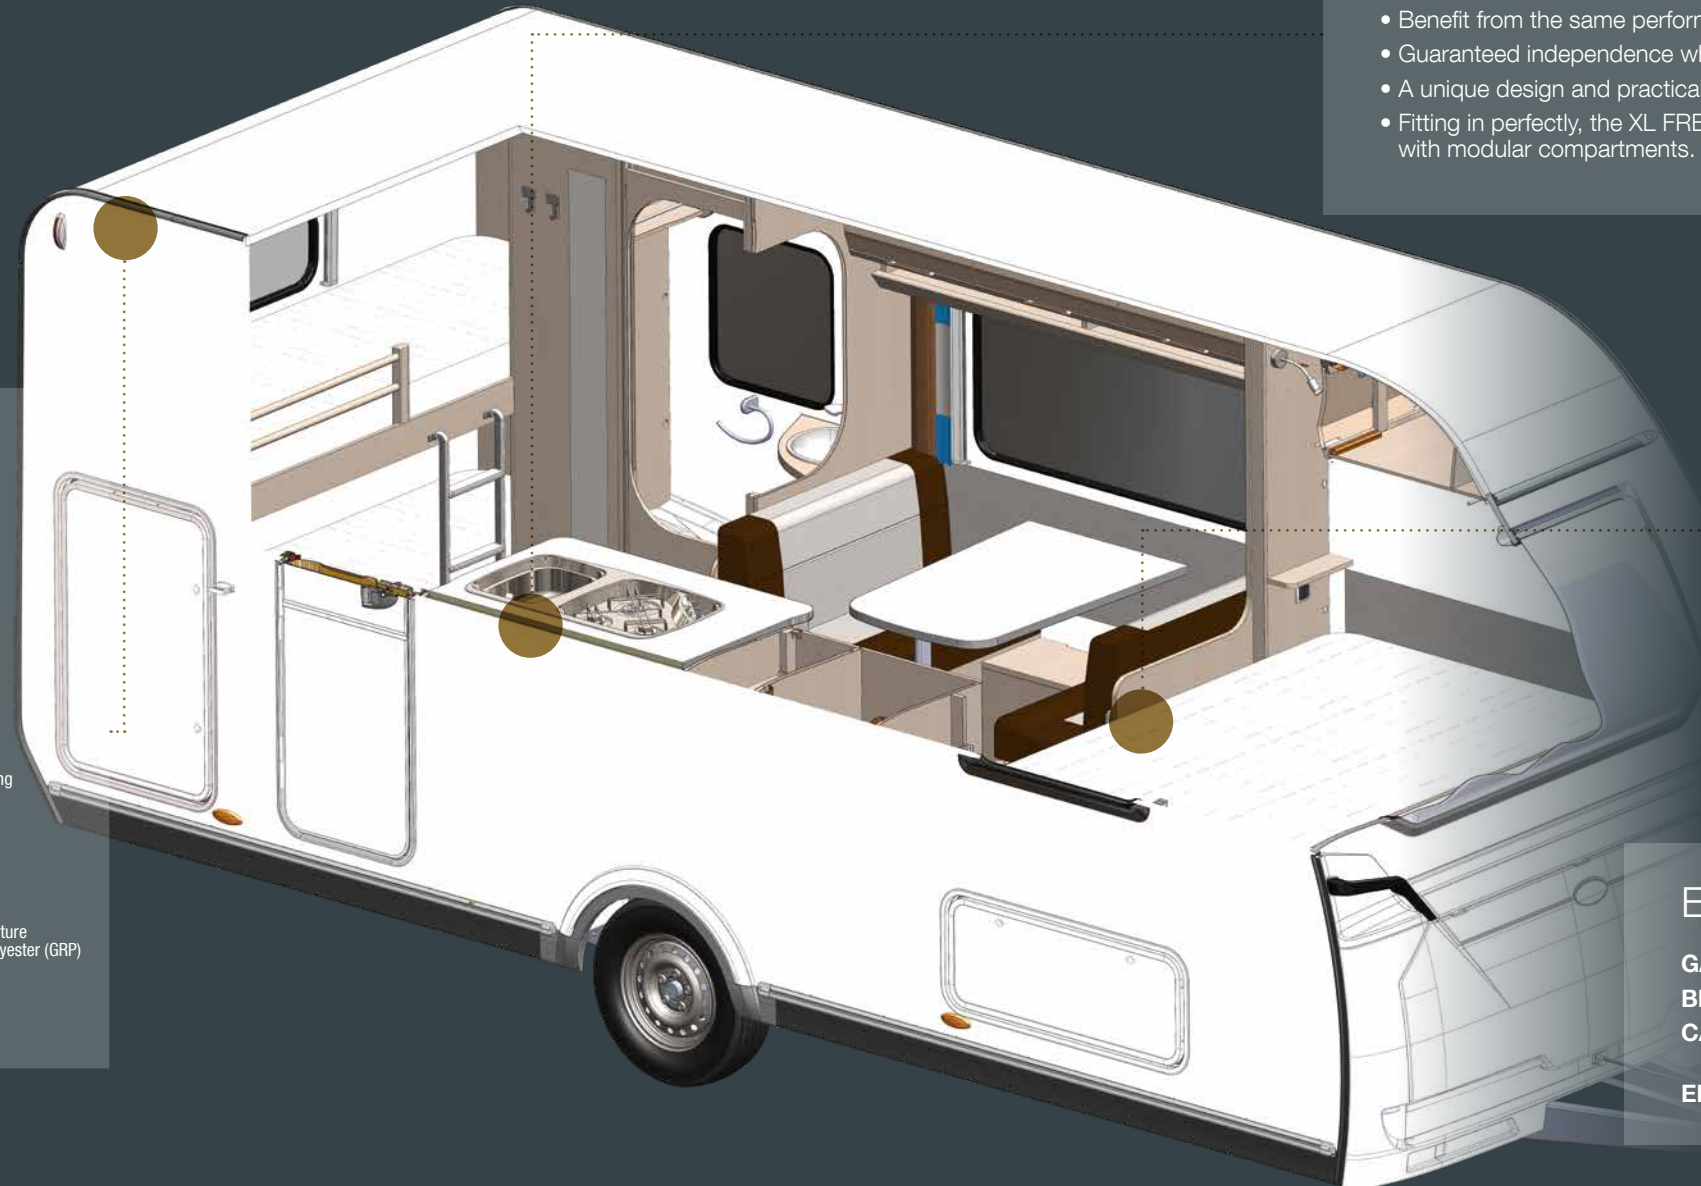

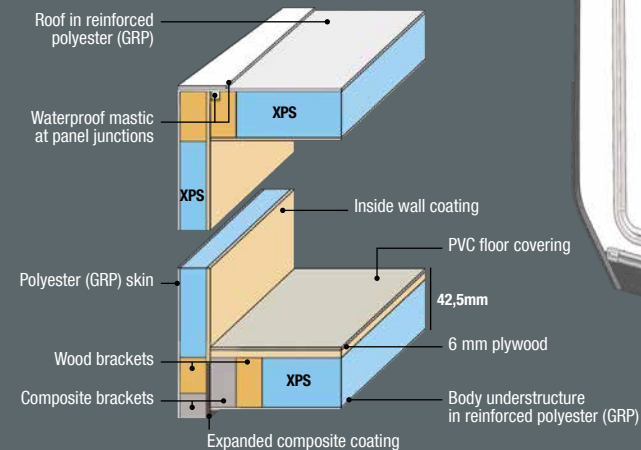

EXCLUSIVE IRP TECHNOLOGY

7 YEARS WATER INGRESS WARRANTY*

Our caravans** are equipped with an exclusive manufacturing technology called IRP. The advantages of IRP are improved insulation, greater resistance and better protection.

- XPS Insulation, an extra-firm and stable hydrophobic foam with high sound and thermal insulating power.
- High-performance wood and composite combination, reinforces the structure of our walls, roofs and floors by combining composite longevity with the exceptional sturdiness of solid wood.
- Protective Polyester (GRP) skin, provides greater resistance to scratches, minor impacts, gravel, hydrocarbons, ultraviolet radiation and bad weather in general ; hail, salt etc.

THE XL FREEZE FREEZER

- The best in refrigeration with XL efficiency!
- Benefit from the same performance as your home model.
- Guaranteed independence when you stop for the night.
- A unique design and practical too.
- Fitting in perfectly, the XL FREEZE offers 150 L of storage with modular compartments.

OUR COMFORT MATTRESS

100% Polyester
Thermally adjustable mattress
Anti-dust mite
Made in France
With foam that preserves your health and the environment
Oeko-tex Klasse 1: with ticking that's free of harmful substances

3 different thickness: 12 - 15 or 17cm.

EFFICIENT HEATING SYSTEM

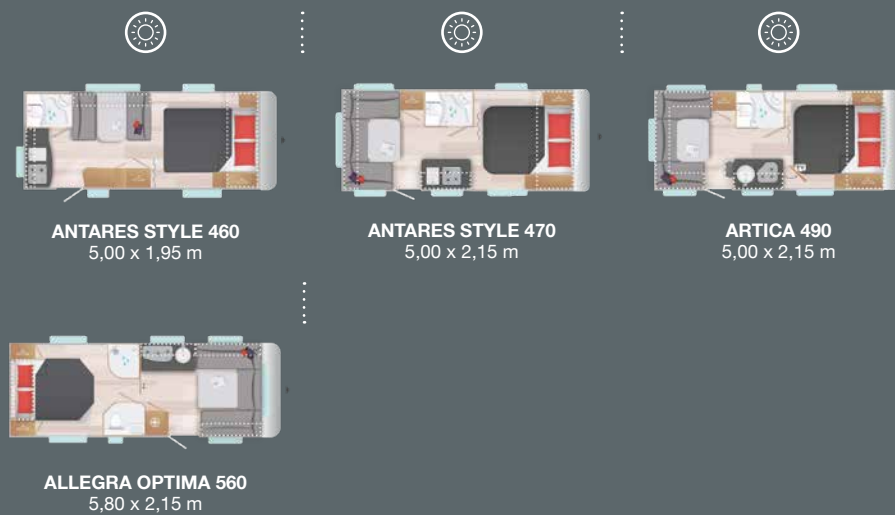

- GAS HEATING:** continuous, precise temperature adjustment.
- BLOWN AIR:** uniform distribution of heat.
- CARAHEAT:** dual distribution of warm air and quick and efficient rise in temperature.
- ELECTRICAL FLOOR HEATING:** energy efficient and silent.
